Janap K. Ghulam Mohmood I.A.S.,
Secretary to the Commissioner of Civil Supplies.

In his letter No.DR.I 4.7491/48/CS/ dated 7-10-51, the Collector of Malabar has reported that out of the stocks of Rice held in the State Reserve in Malabar during 1948-49 a quantity of 3389 maunds 15 seers was transferred to South Kanara district from out of the stocks held by the P.C.C. Society Chowa in September 1948. This Society has claimed the following items of incidentals.

1. Handling and cartage	0--0--6	per md.
2. Godown Rent.	0--0--3	"
3. Refilling charge and interest.	0--0--6	"
4. Wastage and spillage	0--2--0	"
Total ...	0--4--3	

2. The Board considers that items 1 and 2 may be allowed. Item 4 may also be allowed on the analogy of the Board's proposals contained in its reference No.UI(2)122452/51/CS dated 2-2-52. As the P.C.C.Society is not having any profit or commission, the shrinkage allowance which would have been received by the Society had the stocks been sold by it, may be granted. Item 3 may be disallowed. The total amount due to the P.C.C.Society at 0--3--9 per maund on 3389 maunds 15 seers works to Rs.794--6--2. As the claim is more than three years old the Board requests that the Accountant General may be authorised to pre-audit and pass the claim. The Collector was asked to explain the delay in the submission of the claim and he has stated as follows:- The claim of the Society was sent by the Reception Deputy Tahsildar, Cannanore in January 1949 but as it was not received in the Collector's office a duplicate copy was called for and it was actually received in August 50. The correctness of the claim was under verification, and the final proposals could be submitted to the Board only in October 1951. The Board had to enter into correspondence with the Collector regarding the correctness of the margins claimed by the P.C.C.Society before submitting the proposals to Government. The amount payable to the P.C.C.Society may be debited to '85. A.A. B. Rice - Cost of purchase of grain
